EXHIBIT HALL

NCHE invites you to exhibit at our 2022 Online Conference. Attendees include K-12 History Teacher, Administrators, College Professors, Museum Staff, and other lovers of history. Your online booth will include your company logo along with the opportunity to share videos, online content, and links. Our goal is to maximize engagement by offering an "Exhibitor Session" to each exhibitor to meet with attendees on the platform.

NCHE's national conference is the best way to meet an audience that is focused on improving the practice of history education. This event draws a group of professionals who continually seek and share innovative ways to bring history to life.

Rate - \$300 (Includes two registrations for the conference.)

SPONSORSHIP

Sponsorship is your opportunity to gain prominent exposure with the history education community. There are a number of options to meet your goals and budget. Contact John Csepegi (john@nche.net) for more information.
